

iPlay BBC iPlayer Session Plan

BBC iPlayer is an internet streaming catch up television and radio service in the United Kingdom. The service is available on a wide range of devices, including mobile phones and tablets, personal computers, and smart televisions.

BBC iPlayer	
1	Open your internet. This could be Chrome, Internet explorer, Edge, Mozilla or Safari as they are all Web browsers.
2	Type 'BBC iPlayer' into the search bar.
<div style="display: flex; justify-content: space-around;">   </div>	
<div style="display: flex; align-items: center;">  <input style="border: 1px solid #ccc; padding: 5px 20px;" type="text" value="BBC iPlayer"/> </div>	
<p>Questions</p> <p>What does the 'i' mean?</p> <p>What do you think 'iPlayer' allows you to do?</p>	
3	Once you've typed 'BBC iPlayer' into the search bar, google should produce a list of sites. The first one should look like this one.
<p>If it does click the bold blue writing that says BBC iPlayer – iPlayer TV Home.</p>	
	
4	When you've clicked the text, google should send you to the iPlayer TV website.
<p>Does your webpage look similar to this?</p>	
	

5	<p>Up until recently you did not need to register to watch BBC iPlayer this has now changed. They want to ensure that BBC iPlayer is more relevant and personal to the user.</p>	
<p>Question - What is the difference between Sign in & register?</p>		
6	<p>If you have already Registered with BBC iPlayer, select sign in, otherwise select Register.</p>	
7	<p>Complete your date of birth. This is so the BBC can check that there making something for all age groups. It also means that you can use the parts of the BBC that are suitable for your age.</p> <p>The BBC don't keep the day & month of your birth, just the year.</p> <p>Select next.</p>	
8	<p>Complete your email address.</p> <p>Create a password this must contain 8 or more characters and include a number.</p> <p>You should avoid using the same password for everything.</p> <p>Complete your post code.</p> <p>Select your gender.</p> <p>If you wish to receive email updates, select 'Yes please'.</p>	

9	<p>Select register.</p>	
10	<p>Were now going to search for the latest episode of 'EastEnders' as it's a regular programme we can use for training.</p> <p>Go up to the top right-hand corner of the webpage and click into the search box. Type in here 'EastEnders' and then press enter.</p>	
11	<p>The webpage should now change to show you the most recent episode. Additional episodes are available by selecting available episodes on the right.</p>  <p>If viewing through the BBC iPlayer app on a tablet, once you have selected EastEnders, additional episodes are along the bottom.</p>	
12	<p>Questions</p>	<p>When is this episode available till?</p> <p>How long is the episode?</p> <p>When was the episode was originally aired on BBC 1?</p>
13	<p>Ensure your headphones are plugged in. They plug in either the left-hand side or at the front on the left of the laptop. If they have 1 adapter, it plugs straight into the headphone port. If two ports are free, ensure the headphone adapter is plugged into the headphone port.</p>	

14	To watch the episode, click the play symbol that's embedded in the picture clip of the episode.	
15	Once you've selected the play button, the episode should start to play. Tap the screen for the options to be displayed. Tap on the pause symbol to pause your program. This might be in the centre of the screen.	
16	Tap these symbols. What do they do? Tap again to reverse the action.	
17	The length of the program is shown and how long you have watched it for.	
18	The top line is to fast forward a program. If using a tablet, the bottom line is to adjust the volume	
19	To end a program, select pause. If using a tablet, select the X to return to the BBC iPlayer home screen. If using a laptop select the X to close the web page.
