

Session Booklet – Elf Yourself Tablets

Elf Yourself is an American interactive viral website where visitors can upload images of themselves or their friends, see them as dancing **elves**, and have the option to post the created video to other sites or save it as a personalized mini-film.

A fun way to wish your friends and family a merry Christmas		
1	Open Apps on your iPad	
2	Locate the search box top right and type Elf yourself select Elf yourself free .	
3	Click get. (In the example it says update but yours will say get).The app will start to download. You can see that the app is downloading as there is a circle displayed that gradually changes. Once the download is complete select open	
4	Camera roll will open your photo library on your device. Facebook and instagram will direct you to open your account on your device. For this practice select take photo	

5	If you are happy with the photo that has been taken select use bottom right alternatively select retake bottom left.	
6	You can centralise your photo by moving it around the elf shape. If you need to make the photo bigger to fill the elf shape zoom in using your fingers. Position the red dotted line over your mouth then select next .	
7	To add another person select the + symbol in the elf frame. Repeat steps 4 – 6. You can use up to 5 photos.	
8	Select Add greeting to include a personal message. 30 characters is the maximum that can be used. Select save. If you need to amend what you write select clear.	
9	Select let's Dance. One tune is available free and this appears to be a different tune each time it's accessed, all the other options are available to buy. This is called an in app purchase.	

10	<p>Your video will be played. To stop the video select pause</p>  <p>To start the video again select play.</p> 	
12	<p>The video is currently displayed as a full screen. If you select the stretch symbol bottom right you can alternate it between a small screen and a full screen.</p>	
13	<p>If you change the screen to a small screen you will be able to see alternative themes for your elf dance. You can preview each theme but only one will let you watch it all the way through. The different themes can be purchased. This would be an in app purchase and your credit or debit card details would need to be set up on your device.</p>	
14	<p>To send your video via email Select the envelope</p>	
15	<p>Your video will be prepared. Once the video has finished loading you will be able to complete an email address of who you want to send the video to.</p>	
16	<p>Insert the email address of the person you wish to send the video to and press send.</p>
