

## Session Booklet – Shopping

Imagine being able to order all your groceries, get those last-minute Christmas presents and renew your car insurance all from the warmth and comfort of your living room. Well with online shopping, you can. Many supermarkets, such as Waitrose, offer home delivery time slots for a small delivery charge and websites like Amazon and eBay allow you to purchase a whole host of items and have them delivered to your home or workplace.

<b>Shopping</b>	
1	<p>When buying online it is important to remember you are completing a financial transaction. This often puts people off but if you are mindful as to whom you are purchasing from and how you are paying, there is nothing to worry about.</p> <p>Often when buying online you complete a process similar to shopping in a store. Rather than aisles you have to walk down, online stores are broken up into sections with a search bar if you are looking for something more specific.</p> <p>Once you've found the item you're looking for, you even add it to a virtual basket.</p>
2	<div style="display: flex; justify-content: space-between;"> <div style="width: 45%;"> <p>As a group we will establish if anyone has bought products online in the past.</p> <p>What do you think the advantages and disadvantages of shopping online are? Use the space to the right of your session booklet to write some of your thoughts down.</p> </div> <div style="width: 45%; text-align: center;"> <p>Advantages and disadvantages of shopping online:</p> </div> </div>

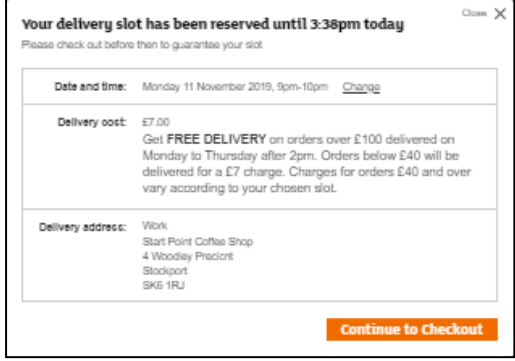

<p>3</p>	<p>Firstly, we need to go on to the website of the supermarket we are looking to purchase groceries from. For the sake of this handout, we are going to use Sainsburys although most supermarkets offer some form of online shopping service.</p> <p>Sainsburys website address is <a href="http://www.sainsburys.co.uk">www.sainsburys.co.uk</a>.</p>	
<p>4</p>	<p>Along the top of the Sainsburys website, you'll see there is a toolbar of different options to do with Sainsburys and other businesses operated alongside Sainsburys such as Argos and Habitat.</p> <p>As we are grocery shopping, we want to select the groceries option.</p>	
<p>5</p>	<p>We now need to check and make sure that Sainsburys can deliver to you. On the right-hand side of the webpage, you'll see a search bar. Enter your post code into here and select 'Check postcode'.</p> <p>If Sainsburys do deliver to your post-code, you'll be given the options to select either a home delivery or click &amp; collect.</p> <p>If you select home delivery, Sainsburys will offer you a variety of delivery slots which vary on price depending on the day of the week and the time of the day that you select.</p> <p>Click &amp; collect allows you to select a location that you wish to collect your groceries from.</p> <p>We aren't going to select either of these now. We are instead going to select 'Continue Shopping'.</p>	 

<p>6</p> <p>We are now going to begin our search for groceries using the Sainsburys website. Continuing in the groceries part of the Sainsburys website, your webpage should look like the image on the right.</p> <p>Within the groceries part of the website, there are other filters that allow you to search various departments as you would sections of a supermarket.</p>	
<p>7</p> <p>By hovering over groceries, you'll see a drop-down menu listing the various departments.</p> <p>This allows you to search specific departments such as 'dairy, eggs &amp; chilled', 'Beer, wine &amp; spirits' and 'Homeware &amp; electrical'. These options change depending on the season. In the image on the right you can see an option that will bring up items to do with Christmas such as turkey and mince pies.</p> <p>We are going to look within the 'fruit &amp; vegetables' department.</p>	
<p>8</p> <p>By hovering over 'Fruit &amp; vegetables', you'll see other options within this department such as 'Best in season', 'Fresh herbs &amp; ingredients' and 'Organic fruit &amp; vegetables'.</p> <p>From the list we want to select the option for 'Fruit &amp; vegetables home'. This will take us to the homepage of the fruit &amp; vegetable section of the Sainsburys website.</p> <p>We now need to select 'Fresh fruit' from this list.</p>	

<p>9</p>	<p>Once you've selected 'Fresh fruit', you'll be greeted with other filters to further narrow down the options within 'Fresh fruit'.</p> <p>We want to select 'Apples, pears &amp; rhubarb' from this list. You should now be greeted with all the fresh fruit products from within the 'Apple, pears &amp; rhubarbs' category.</p> <p>How many products are there in the list?</p>	
<p>10</p>	<p>We are going to use the filters that run along the top of this section to narrow it down further to just apples.</p> <p>To do this you need to select the check box next to apples.</p>	
<p>Questions</p>		<p>What is a check box?</p> <p>What's the difference between a check box and radio button?</p>
<p>11</p>	<p>We want to add 3 apples to our basket, and we are looking for Pink Lady apples. You need to scroll down the page, find the option and then select 'Add'.</p> <p>Once you've selected 'Add', you'll see that it changes to a number with a plus (+) and a minus (-) symbol. This allows you to easily add an exact number rather than having to repeatedly click 'Add' a specific number of times.</p>	

<p>12</p>	<p>Once you've added 3 Pink Lady apples, we need to scroll back up to the top of the website and view our basket. Here you will see the 3 items in the basket and a total amount for the goods you are wanting to purchase.</p> <p>Can you see this?</p>	
<p>13</p>	<p>We've got a shopping list that we want you to add to your basket.</p> <ul style="list-style-type: none"> <li>• Sainsbury's Farmhouse Loaf White Bread 800g</li> <li>• Sainsbury's Smoked Bacon Medallions, Be Good to Yourself 200g</li> <li>• Kerry Gold Softer Butter 250g</li> <li>• Heinz Top Down Ketchup 460g</li> </ul> <p>Try using some of the filters that run along the top of the web page or options from the groceries drop-down menu to narrow down the options you are greeted with.</p> <p>You'll see that some of the filters are for specific brands such as Sainsbury's, John West, Glenryck, Heinz, Weight Watchers etc.</p> <p>There are also dietary &amp; lifestyle options such as British, No Added Salt, Suitable for Coeliac's etc.</p>	
<p>14</p>	<p>Once you've filled your basket, click on the trolley/basket symbol in the top right-hand corner and you'll be taken to the checkout. Before you can order online, you need to create an account with the supermarket, in this case Sainsbury's.</p> <p>You'll need to enter an e-mail address and then enter a post code to verify that Sainsbury's deliver to your post-code. They'll then send you an e-mail to verify that you are who you say you are and create an account to use their services.</p>	

<p>15</p> <p>Once you've verified your e-mail account with Sainsbury's, you'll then have to provide more information about yourself to finish of creating an account. You'll then have to agree to Sainsbury's terms and conditions and then select 'Register'.</p> <p>We should now have 7 items in our basket:</p> <ul style="list-style-type: none"> <li>• 3 x Pink Lady Apples</li> <li>• Bread</li> <li>• Butter</li> <li>• Bacon</li> <li>• Tomato Ketchup</li> </ul> <p>We now need to select 'Checkout'.</p>	<div data-bbox="826 241 1380 577"> <h3>Log in Details</h3> <p><b>Email address</b> <input type="text" value="ryan.startpoint@gmail.com"/> <a href="#">Change email</a></p> <p><b>Delivery postcode</b> <input type="text" value="SK6 1RJ"/></p> <p><b>Title</b> <input type="text" value="Mr"/></p> <p><b>First name</b> <input type="text" value="Ryan"/></p> <p><b>Last name</b> <input type="text" value="McMurdo"/></p> <p><b>Password</b> <input type="password" value="....."/></p> <p><b>Confirm password</b> <input type="password" value="....."/></p> </div> <div data-bbox="1029 622 1197 672"> <p><b>Register</b></p> </div> <div data-bbox="826 705 1380 1355"> <table border="1"> <thead> <tr> <th>Quantity</th> <th>Product</th> <th>Price</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>Heinz Top Down Ketchup 450g <del>£1.80/unit</del> 35p/100g</td> <td>£1.80</td> </tr> <tr> <td>1</td> <td>Kerrygold Soften Butter 250g <del>£2.10/unit</del> £8.40/kg</td> <td>£2.10</td> </tr> <tr> <td>1</td> <td>Sainsbury's Smoked Bacon Medallions, Be Good To Yourself! 200g <del>£2.00/unit</del> £10.00/kg</td> <td>£2.00</td> </tr> <tr> <td>1</td> <td>Sainsbury's Farmhouse Loaf White Bread 800g <del>£1.10/unit</del> 14p/100g</td> <td>£1.10</td> </tr> <tr> <td>3</td> <td>Sainsbury's Pink Lady Apple Single <del>45p/unit</del> 45p/each</td> <td>£1.35</td> </tr> <tr> <td colspan="2">Savings:</td> <td>£0.00</td> </tr> <tr> <td colspan="2">Trolley total:</td> <td>£8.35</td> </tr> </tbody> </table> <p><a href="#">Save trolley</a> <a href="#">Empty trolley</a> <b>Checkout</b></p> </div>	Quantity	Product	Price	1	Heinz Top Down Ketchup 450g <del>£1.80/unit</del> 35p/100g	£1.80	1	Kerrygold Soften Butter 250g <del>£2.10/unit</del> £8.40/kg	£2.10	1	Sainsbury's Smoked Bacon Medallions, Be Good To Yourself! 200g <del>£2.00/unit</del> £10.00/kg	£2.00	1	Sainsbury's Farmhouse Loaf White Bread 800g <del>£1.10/unit</del> 14p/100g	£1.10	3	Sainsbury's Pink Lady Apple Single <del>45p/unit</del> 45p/each	£1.35	Savings:		£0.00	Trolley total:		£8.35
